PRESIDENT'S REPORT

Happy New Year and welcome to 2020. I hope our members had a blessed Christmas season and had some time with family and friends. Many were able to likely spend some uncommon December time outdoors, with temperatures in the 50s around the Christmas holiday. We took advantage of this in our home and enjoyed some time away from work and outside with the kids. Owen put a lot of rounds through his new BB gun and got some practice shooting. We enjoyed basketball in short sleeves on Christmas Day!

We wrapped up 2020 with a great RRRC Christmas Party to start December. Congratulations to Evelyn Arndt, the XYL of Jerry, NO9U, with being nominated as our 2020 RRRC Ham of the Year. Evelyn has made it a point to be a part of many RRRC activities throughout the years. Whether it's working in 90 degree heat to support our yearly brat fry or helping decorate for an upcoming club event, Evelyn is always there to lend a helping hand. We thank her for all of her support over the years and congratulate her on this well-deserved honor.

After some discussion at the Christmas Party, we will have a small change for 2020. We are going to try doing a late lunch / early dinner and eat buffet style at the end of Bayside Supper Club's Sunday Brunch Buffet. More details will come later in the year, but anticipate eating around 2:00 P.M. and we are on the road by 3:00 P.M. and home before dark. Several members had suggested this over the past few years and it's time to give it a try. This will also accommodate Bayside with staffing for our event. The chef has told me they will see to it that our regular menu items are included in the buffet that day and we shouldn't lose anything in terms of food!

I am working on the net schedule for the Monday ARES net and am happy to report that you will hear a few familiar voices stepping in as net control in 2020. Ted, W9LUQ and Gary, KA9BAE, have volunteered to join the rotation of Monday net controls. This will give us a rotation of four and cut down on the workload a bit, with each NCS taking it about once per month. Thanks to Ted and Gary for stepping in and helping with the nets.

We will discuss and finalize it at our meeting Tuesday evening, but I would say it's very likely we will have our yearly Valentines party following the February business meeting on February 4. This would in-

clude Bingo and a treat to share with the group. Final details will follow in the February newsletter.

Keith, KB9NUM, also has a few programs lined up that we are getting on the calendar for the following months.

On a sad note, as reported via e-mail, Beryl, KA9BAC, became a SK on the evening of January 1. Beryl has been licensed for many decades and held an extra class license. Throughout the years, Beryl held many leadership positions in the club. We will miss Beryl and her smile at club events. Please keep the Pedersen family in your thoughts and prayers!

I wish you all a happy and healthy 2020 and look forward to the many club events to come. Thanks for all you each do throughout the year to make our club a success.
