JANUARY 2026

By Mike DeJager

Greetings Ham Radio Enthusiasts!

First, I want to Thank all members willing to continue club support by giving your time working as officers and support staff. THANK YOU!

A chance to co-op with the Fond Du Lac Amateur Radio Club is exciting. New friends to be made and sharing skills will be fun.

A surprise visit from Brian KD9ZCX of the Wisconsin Amateur Radio Club might turn into something good.

The promise of our replacement trailer being delivered in a short time is exciting.

I'm asking members to put their Mic's down for a short time to give a hand in carrying out some club committees that need to get done. Fund raising, Treasury Audit, Repeater, and Training committees need to be filled. Please show interest in helping with your skills to help keep us on track.

Next up for business for me is getting the memorandum of understanding for the ARES trailer build rules in the works. This will guarantee a smooth build out in an efficient way.

See you at the next meeting - Mike KB9LXP
